

VITREOUS LINING

The colour range of the vitreous tiling

A wide variety of colours gives free rein to artists' imagination enabling them to create the most original and attractive designs. The tiles are sold as a sheet stuck on a glued paper. These are ideal for decorative pool, façades, pillar, interiors, bath room, etc. lining due to their inalterability, cleanliness and easy setting.

COLOURS IN THE CATALOGUE ARE APPROXIMATE

25 x 25 mm.
1" x 1"
