NOVA

STEAM SHOWER CABIN

Harvia Nova steam shower cabin is a plug-and-play solution with a distinct Nordic design that speaks for itself. The free-standing cabin with the unique combination of wood, metal, and glass will bring a feeling of comfort and relaxation that you truly deserve. Nova's thin frame structure with nearly full glass body, coupled with the neatly integrated steam column is guaranteed to add a touch of luxury and modern appeal to any bathroom where it is placed.

- Fast operation, with visible steam in under 2 minutes
- All electronics cleverly integrated inside the steam column
- Coloured lights, hand – head shower, bench and floor mat, included with the cabin
- Elegant steam nozzle with recessed cup design for adding steam scents
- Built-in support for MyHarvia WiFi
- Hidden space for optional water filter cartridge
