

## TRADITIONAL PUMPS

### PPG PUMP DELUXE

**WARRANTY 3 YEARS**

#### WHY PPG CHOOSES....

##### PPG Pump Deluxe

- Minimalistic timeless design
- Revolutionary design for optimising waterflow
- Extremely quiet operation
- 100% quality control - Made in Germany

## TECHNOLOGY

In our effort to bring our customers top quality products with a modern design and the latest technology, it was inevitable that we started the cooperation with Speck pumpen.

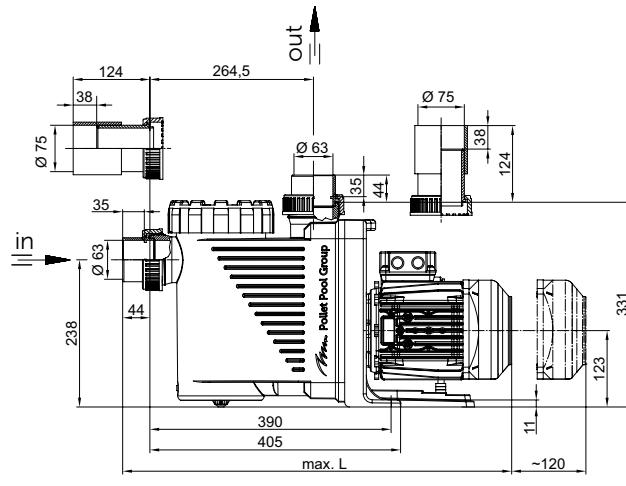

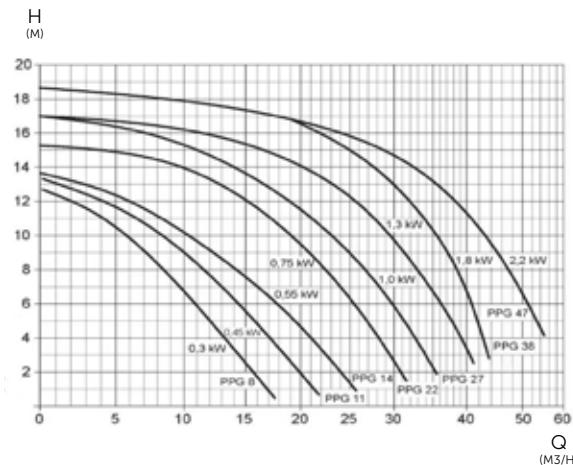

Together we developed the next generation for the Badu 90, a best seller that has been the benchmark in the industry regarding reliability, efficiency and low noise level.

The PPG Deluxe pump has incorporated these quality trademarks and we added the new state of the art technology, bringing us a more efficient hydraulic system, a whisper-quiet noise level sound and a fresh new look.

## FEATURES

- Large strainer basket for easy cleaning
- Interior drain plugs
- Minimal risk of breakage
- UV-resistant, robust glass fibre reinforced pump housing
- Coated asynchronous motor (Corrosion protection) with maintenance-free high performance ball bearings
- Extremely quiet operation
- Mechanical seal especially developed for pool pumps
- Short installation length
- Reliable in constant operation
- For robust operating conditions

# TRADITIONAL PUMPS

## POWERED BY SPECK

- Powered by Speck exclusive for PPG

**SPECK X**  
pumps

## ADVANTAGES

- Also available in variable speed version
- Ideal for the professional pool builder
- Tool provided for easy access to the pre-filter
- New, highly efficient construction
- Higher flow rate with lower energy consumption

Tool for opening circular lid
